Superior quality materials, a timeless and distinctive design as well as stunning colors are the hallmarks of INTERART rugs. Whether laid out in a hotel, lounge or private residence, these rugs will fit in beautifully with any interior design style.

Tretford's time-tested material (80 % Cashmere goat hair and 20 % virgin wool) provides the basis for these gems and their radiant colors. A delicate interplay of color, form and structure is reflected in these rugs. Whether elegant and muted or strikingly colorful, these rugs are always comfortable, durable and easy-care. They are precision handcrafted with keen attention to detail in Germany.

With its INTERART 220 to 370 carpet lines, tretford offers ten different rug designs. Select from over 60 different colors and create a personalized area rug for your favorite spot.

Do you have a customized carpet in mind that isn't covered by these ten designs? Contact us. We can make it happen!

Let yourself be inspired...

## INTERART 220

These carpets put on display a perfect interplay between color, form and structure.

Their Cashmere goat hair and virgin wool blend brings warmth and comfort to your home.

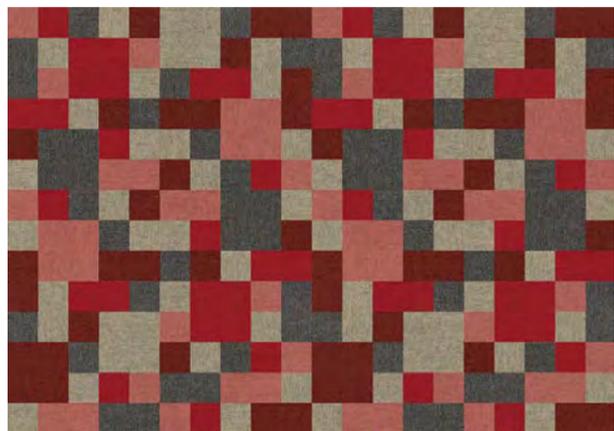

## Color scheme ideas and sizes

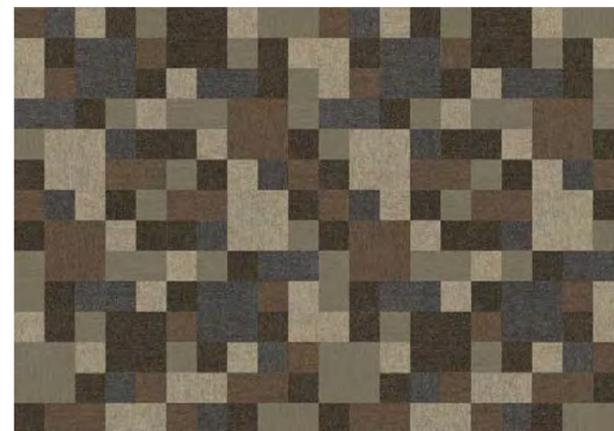

Inspired by the luscious green of a jungle or the rich mocha brown of coffee beans – find your own perfect combination from our extensive color palette (see pages 50/51).

Our INTERART 220 style consists of squares and rectangles that come in 10 x 10, 10 x 20 or 20 x 20 cm formats that are available in five different tretford colors.

Available area rug sizes: Any size from 70 x 70 cm to a maximum of 400 x 400 cm (in 10 cm increments).

## INTERART 230

These carpets are more than just home accessories – they are true gems.

Run with your imagination as you add colorful accents to your home's interior design.

## Color scheme ideas and sizes

Spring, summer or autumn – let seasonal landscapes and the colors of nature serve as your inspiration. With so many colors at your disposal, go with a carpet design that really suits your fancy (see pages 50/51).

Each band on these four-colored rugs is 40 cm wide. The maximum total width is 400 cm. Lengths of over 200 cm are possible in 40 cm increments. For lengths under 200 cm, we scale the pattern down accordingly.

Bedrooms are not just for sleeping. They are also place where we can retreat to rest and unwind. A fabulous area rug underscores the room's atmosphere and offers underfoot warmth.

## Color scheme ideas and sizes

The unevenness of the design mimics nature and this is what makes it so appealing. An exciting, personalized area rug emerges from a combination of seven colors. Draw on tretford's extensive color palette and indulge your creative side (page 50/51).

This design comes in a maximum size of 300 x 300 cm.

This rug design is versatile and adds a personal touch to any room – whether classic, modern or a mix of styles.

## Color scheme ideas and sizes

Since time immemorial, materials sourced from nature have been used to create objects for everyday use and decoration. INTERART rugs too are handmade – with an impeccable eye for detail. The basis for these rugs is tretford broadloom consisting of 80 % Cashmere goat hair and 20 % virgin wool. They are cut by hand and assembled into customized INTERART area rugs.

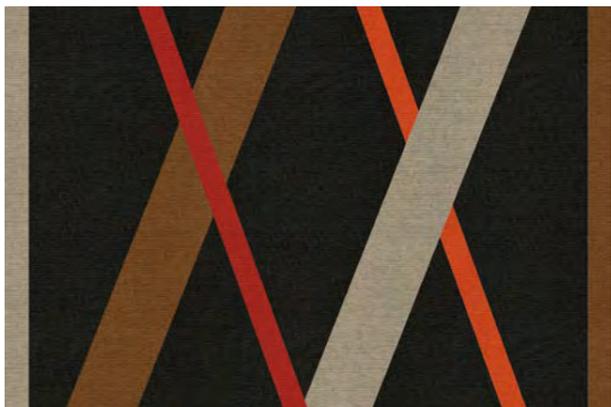

The maximum size for this design is 300 x 300 cm.

# An overview of the colors we offer

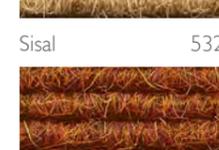

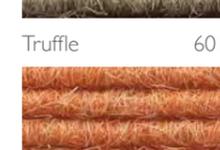

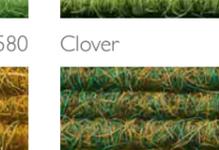

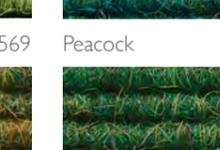

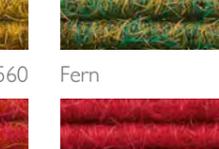

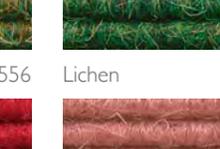

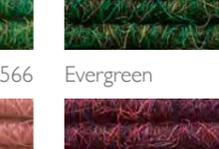

## COLOR PALETTE

Cashmere goat hair is a premium natural material that keeps goats warm in winter. It is also what distinguishes a tretford carpet from standard textile carpeting.

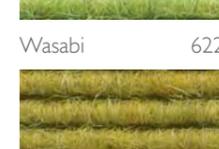

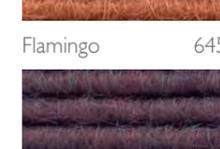

We use the long, very robust top hair to create tretford carpets. This renewable raw material is what is behind the unmistakable quality and durability of tretford products and the radiance of tretford colors.

Choose from over 60 different colors and create a very personal INTERTART area rug.
